The Car of Steady Service

The new RAMBLER is for the particular motorist who admires luxurious comfort in every appointment, without extravagance in cost. Consider the pleasure of riding at the end of the day in a car whose quiet motion, reserve power, and dignity of comfort leaves you quite at liberty to enjoy your release from the worries of the town. The new RAMBLER possesses every important feature of its predecessors, the Rambler offset crank-shaft, Spare Wheel, straight line drive, and others. In many respects it is superior to any Auome of the Rambler literature, it contains some interesting points for the prospective buyer,

Money for Your Guess on Butter Cow

Broughams

Private Carriages

Those who attend the Kansas State Fair, Topeka, will have a chance to guess on the weight of the Butter Cow exhibited by the Continental Creamery Company. You should attend the Fair, but if you can't you can guess by mail. The Butter Cow is about the size of a 1000-lb. Jersey in life. How much butter was used in making her? That's the question.

THE PRIZES ARE 1st, \$15.00 in Gold 2nd, \$10.00 in Gold 3rd, \$5.00 in Gold

Fill out the coupon in full and mail Contest Manager, Continental Creamery Company, Topeka, Kansas.

Butter Cow Guessing Contest

How long used?..... Is it in good repair?...... My guess on amount of butter used in making butter

cow is.....ounds.....ounces.
